1.	Welcome			
	SP welcomed everyone to the meeting and recapped that the Wrexham PSB is continuing to meet whilst the PSBs of Wrexham and Flintshire work on a COVID recovery plan. This will mean that any existing actions and Wrexham specific actions will continue to be addressed, and there will be a mechanism in place to engage with the WCBC scrutiny process and to produce the annual report and well-being assessment in 2021.			
2.	Actions from last meeting			
	The PSB agreed to include a reference in the Handbook and TOR to the joint recovery work.	MC		
3.	Joint Wrexham and Flintshire PSBs Recovery plan

4.	Wrexham PSB Action Plan			
	There was discussion about how to increase the effectiveness and visibility of the PSB.			
	Wrexham PSB had made effective progress in developing the governance action plan in Jan 2020, so will need to revisit this plan when we have emerged from lockdown.  Wrexham PSB governanceactionpl <i>PSB Governance Action plan</i>			
	Wrexham PSB organisations will need to support the joint PSB recovery plan, and ensure that it meets its purpose, with clear oversight and RAG monitoring.			
	<i>It was agreed to use the time each quarter in Wrexham PSB meetings for partners to check in with each other, to discuss local opportunities and challenges and to review the progress of the joint recovery plan.</i>			
	SP and MC had reviewed the existing PSB <i>programme board actions</i> . It was agreed that three workstreams will be picked up by the joint recovery plan. <ul style="list-style-type: none">• Use the Council's new housebuilding programme to develop lifeskills (move to ACL route)• Increase opportunities to use the Welsh Language across our communities (picked up by P&I theme)• Develop community cohesion in Wrexham (picked up by P&I theme)
